DEDICATION

"Then welcome each rebuff,
Turn earth's smoothness rough,
Each sting that bids, nor sit nor
Stand but go!"

— BROWNING.

DEDICATED TO
MISS EDNA ROWE

IN SINCEREST APPRECIATION FOR HER UNFAILING
INTEREST AS SENIOR COUNSELOR.

FOREWORD

Age to age, mile to mile,
Man improves his transport style:
Shoe and saddle, cart and carriage,
Sled and paddle—land and airage:
'Cycle, auto, zep, and train,
Rocketship, and aeroplane—.

And though time pass and man does yet
Contrive a ship, some day, to set
An interplanetary pace,
We've used your time to fill our space.

Loyalty Song

We're loyal to you Forest High,
The Green and the White, Forest High;
We'll back you to stand 'gainst the
best in the land,
For we know you have sand, Forest High,
Rah! Rah!

Go after that ball, Forest High;
We're backing you all, Forest High:
Our team is our famed protector;
On, boys! For we expect a
Victory from you, Forest High.

WYLIE A. PARKER

Principal

Many and varied are his interests, but they culminate in the services that he has rendered our school.

A Fable for Teachers

Compiled in the way
of

JAMES RUSSEL LOWELL

(Whose pardon we pray)

The idea's J. Russel's: the rhyme would be claimed by very few poets who ever won fame; and if respect be due to the aged and lame, our meter's respectful, be it ever so tame. And though that, dear readers, is our only claim, we hope your approval will be met just the same.

One word to the teachers who are listed below—we've tried to be truthfully unbiased, although the truth may be painful to serious ones, while instructive to others who *can* see the fun.

And to you, uninvolved, be ye thankful or sad, take us not seriously nor judge us too bad, for the joy of your acquaintance we may never have had.

O, judge not too harshly, and be entertained, and accept this with humor and thought "entertained."

MISS ELIZABETH HUGHES, *English*

In 108 we've Elizabeth Hughes,
Who between English and Latin this fall had to choose.
Her size, her figure, her grades are petite;
Sometimes she smiles, and she's certainly sweet.
Her greatest fault (we're sure she can't know it)
Is she's delightfully young and afraid she will show it.
Oh, Betty, if you to the "kids" would be dearer,
Be a little more natural, a little bit nearer!

MISS DOROTHY GERLACH, *History*

We like you keen, sarcastic, quick.
Our only criticism's,
Except when we're the butt,
We enjoy your witticisms.

MR. H. B. YATES, *History*

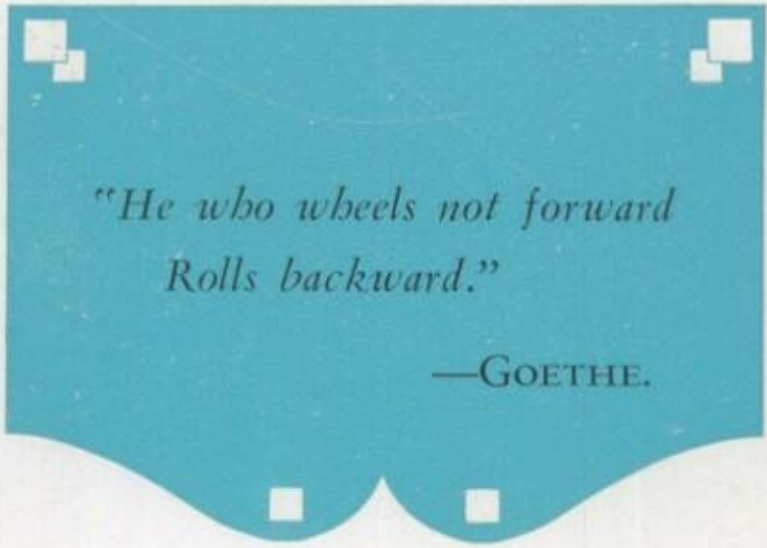

Then there's Mr. Yates, with a smile or a grudge,
8/10's pure history, 2/10's pure fudge.
At business managing he's such a peach,
We wonder how he ever began to teach.

MISS MARY SMITH CLARK, *English*

Small, blonde, romantic. She
Is *just* the type to like poetree.

COLONEL RICHARD COLEMAN, R. O. T. C. (*what is his title?*)

There's our Colonel, gruffly grinning,
Flirting with a smile that's winning.
Polished leather, shiny brass,
Militant above the mass.
A commanding, curt, and bold man
Is our military Coleman.

*"He who wheels not forward
Rolls backward."*

—GOETHE.

Adventure

I am a ship: new scenes, new lands,
 strange faces
 Lure me on to places,
 Undiscovered.
 Would that I could go where fancy
 takes me to—
 Uncharted seas, fading into infinity
 Sing and beckon unto me.

To sail away on an ocean blue—
 Adventures of youth to find.
 To live and love my whole life through,
 And never the cost to mind.

Then weary at my journey's end
 For a calm and silent port,
 I'd anchor at each, and on I'd wend,
 For I am the questioning sort.

GENERAL ARTS

Volley Ball and Baseball

The girls of the IIA Class at the second period were both volley ball and baseball champions this year. Under the direction of Miss Shaw and Miss Segrist, the class defeated the G. A. A., with a victory of 25-18 in baseball. After winning this championship, the girls were determined to make another victory for themselves and their gymnasium class. By working hard, they were victors over the G. A. A., winning two out of three games with fifteen points each. It is no wonder, then, that we saw so many broad smiles around the school. Two such victories are enough to make anyone smile.

SEVENTEEN

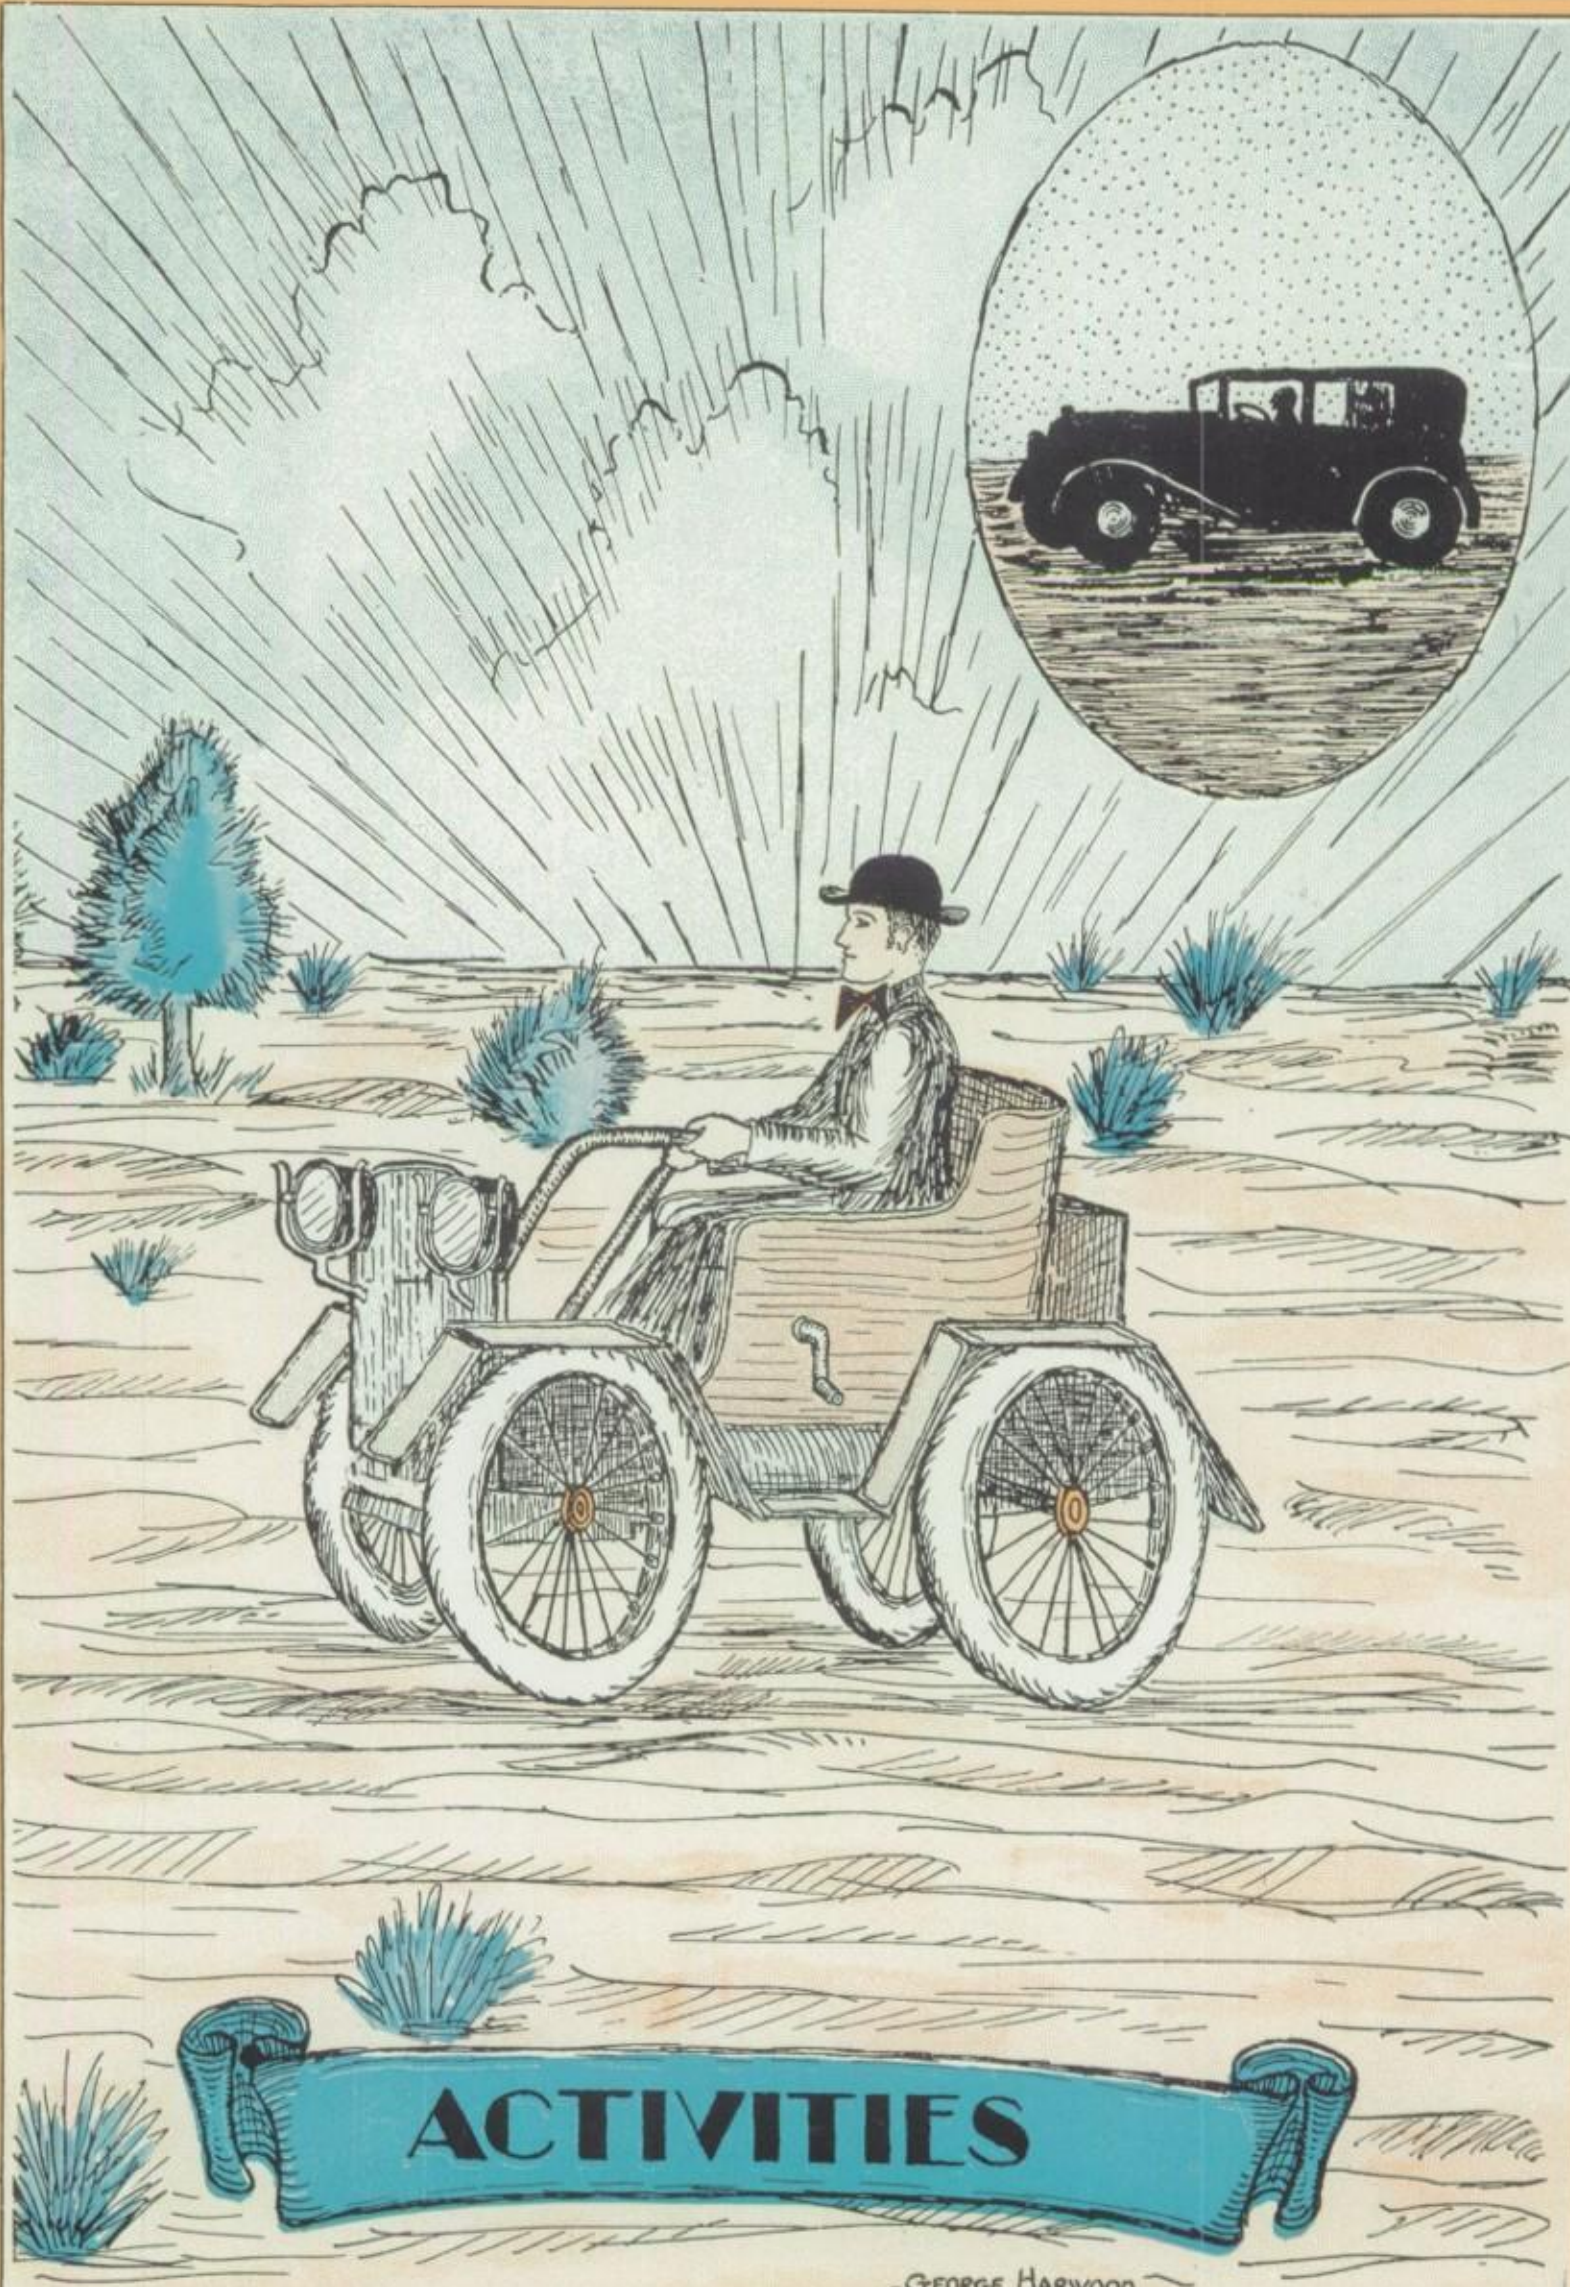

Seventeen was the play presented by the Senior Class of June, 1931. The cast included:

Mrs. Baxter	JUANITA GOVER
Mr. Baxter	TOM SORRELS OR MITCHELL STONE
William Sylvanus Baxter	BILLY HEMPHILL
Johnnie Watson	WALTER STONE
Jane Baxter	ADELINE GEETEH
May Parcher	LU FAN PATRICK
Lola Pratt	LEAH RADER

Joe Bullitt	AGIB TREMBLY
Mr. Parcher	CARROLL PIPER
George Crooper	ARTHUR BERWALD
Ethel Boke	ELIZABETH DYER
Wallie Banks	BILLY ARONOFF
Mary Brooks	GLADYS MUSACHE

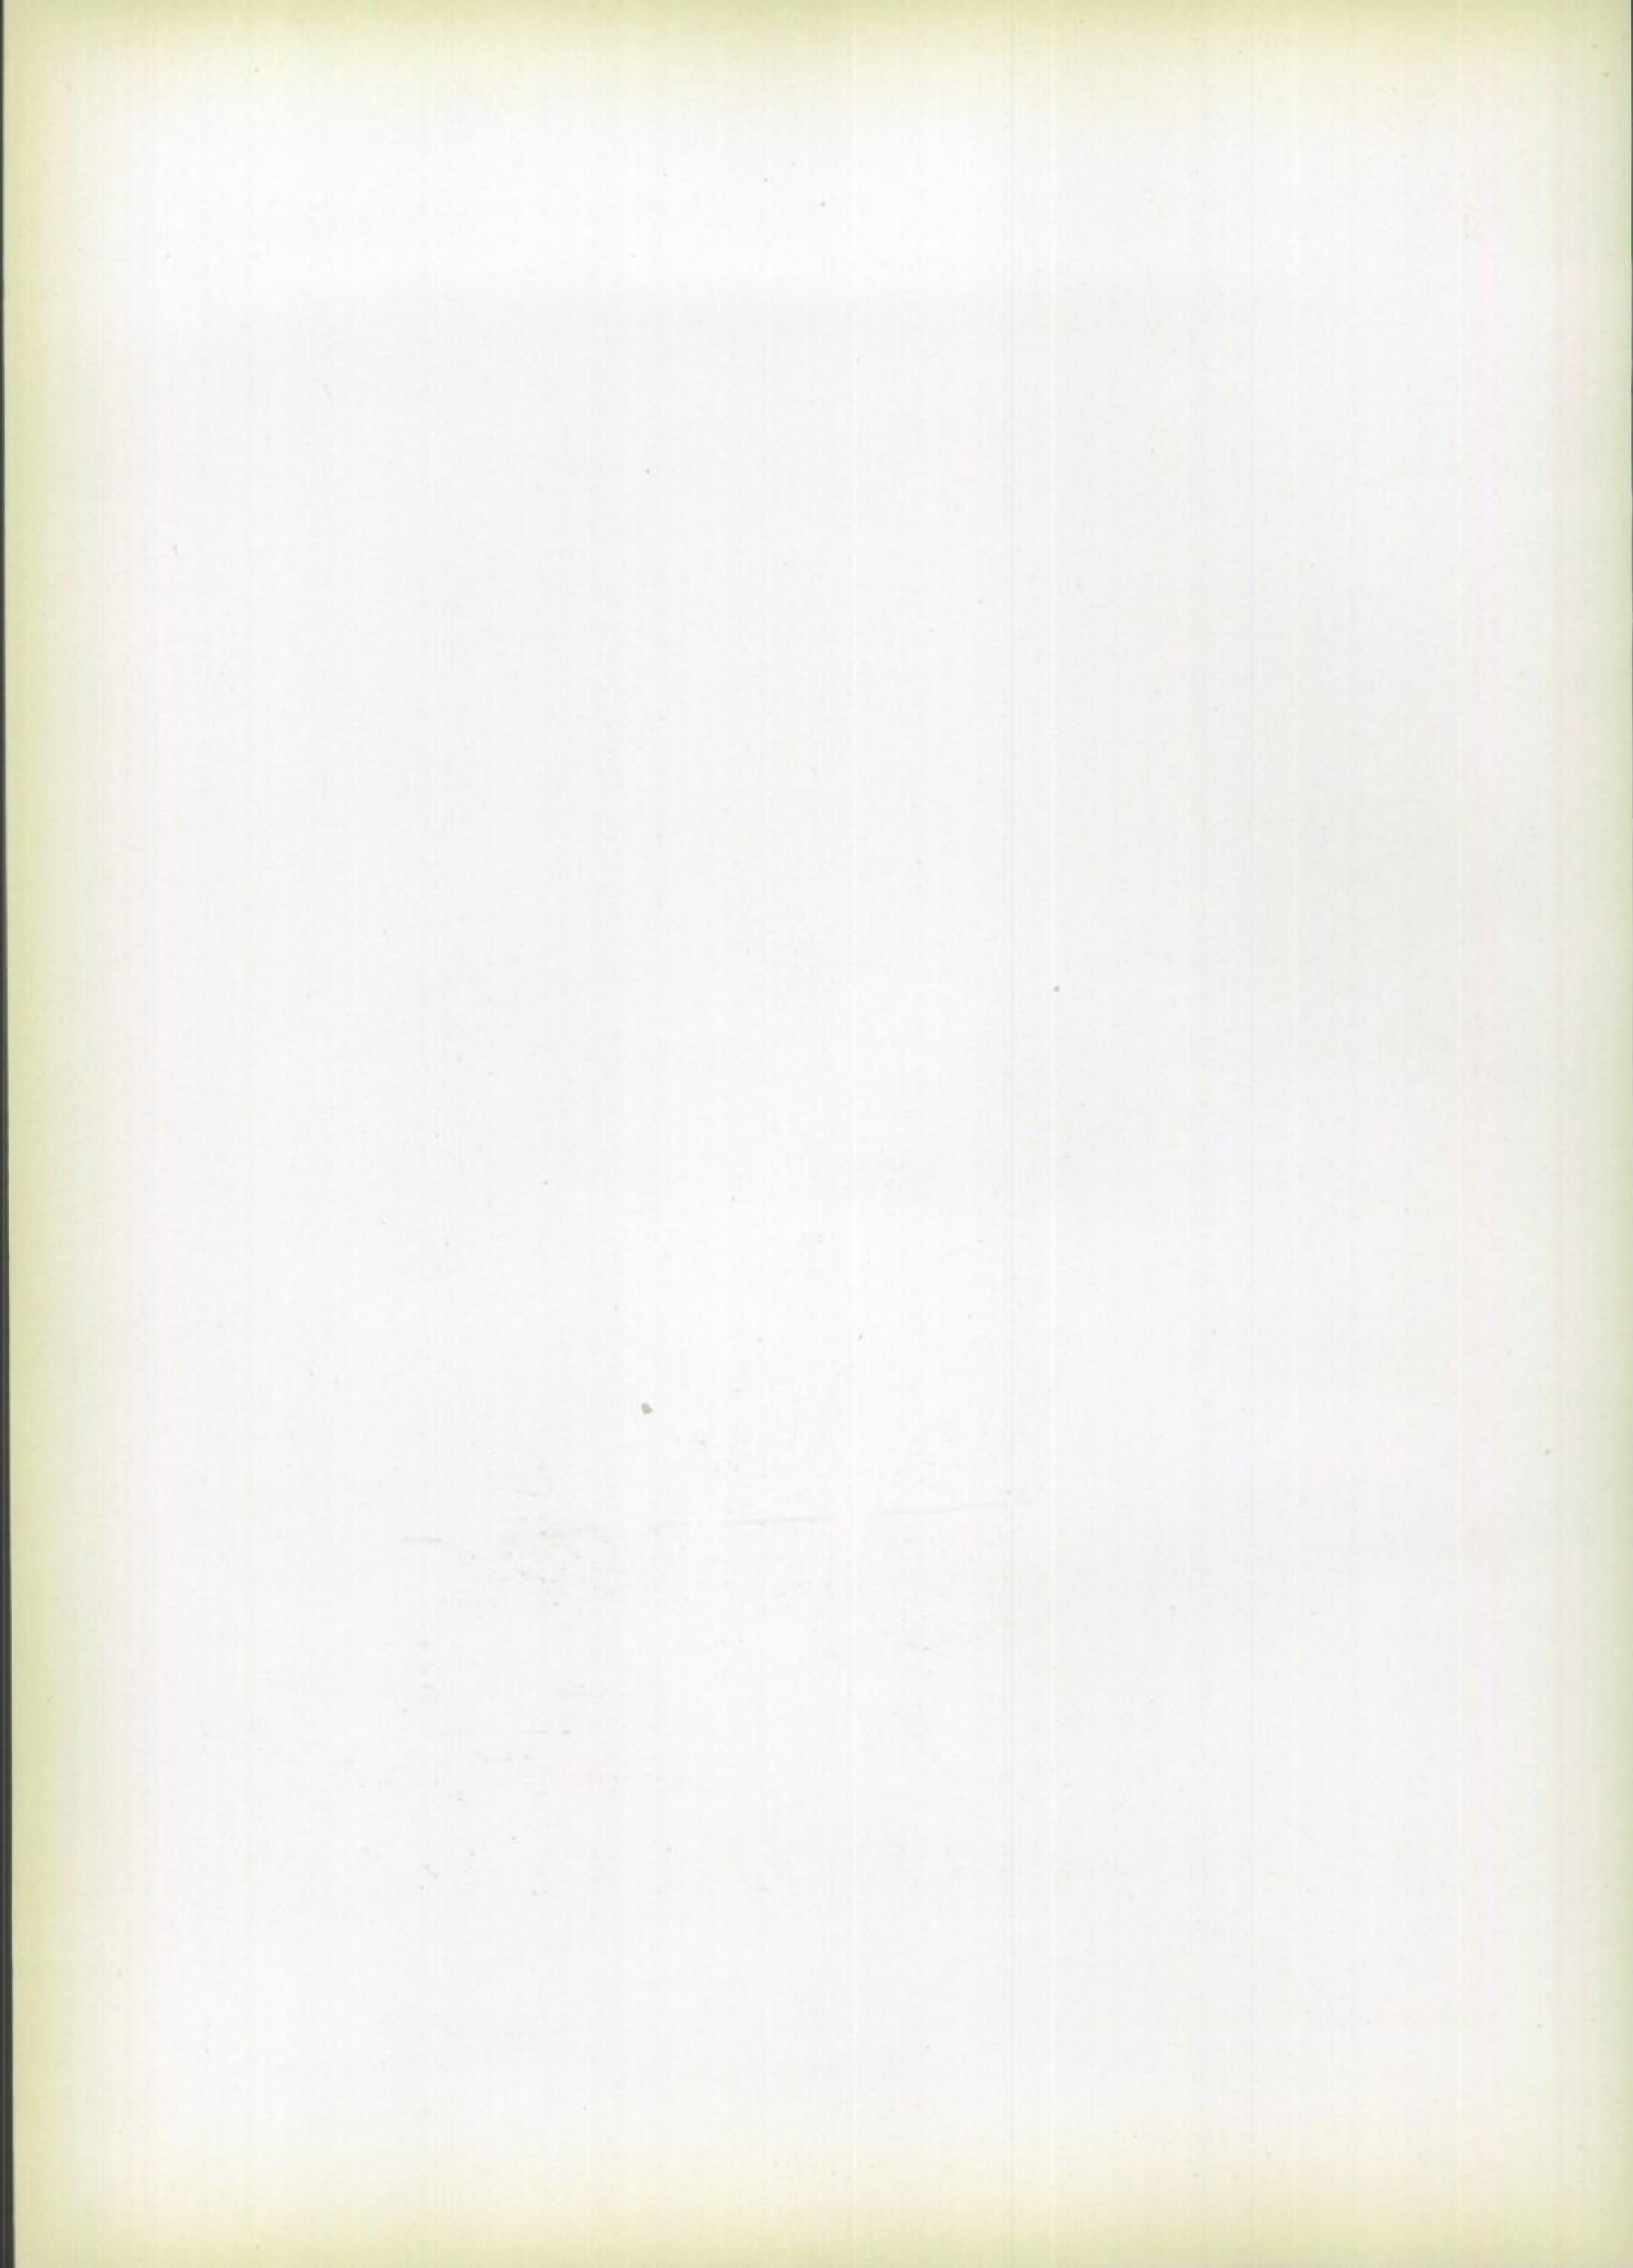

Willie Baxter, who is seventeen and considers himself entirely grown-up, falls in love with Lola Pratt, the Baby-Talk Lady, who is visiting May Parcher. Complications arise when Willie steals his father's evening clothes in order to make a suitable impression. Lola, however, shows no preference among all of the boys at her farewell party, as Willie thinks that she should, so he decides that he will go to college, after all, instead of marrying Miss Pratt.

HIGH SCHOLARSHIP CLUB TEA DANSANT

The High Scholarship Club gave a Tea Dansant for the members of the January graduating class who belonged to the club. It was quite a "social". Refreshments of hot chocolate and cakes were served, and a "good time was had by all", for every member was interested and willing to work to make the party a success.

LEADERS' DANCE

The Forest High Leaders' Club gave a party dance Friday night, April 3. This was the biggest and best dance of the year (so the Leaders tell us). Only the members were allowed and among those present were Arthur Berwald, Carmen Brandon, Thomas Bailey, Nelson Hewitt, Charles Levi, Billy Hemphill, and many others, too prominent to be mentioned. The dance was well and happily sponsored by Mr. Poe, Mr. Hutchinson, (the great big beautiful coach) and the mothers of three members of the club. The refreshments were provided for by Carmen Brandon, chairman of the committee, and the music by Friend Albert Cahn and his orchestra.

SENIOR DANCE

The January Senior Class turned to thoughts of social activities in January and announced to the school that they were giving a dance. Everyone was invited, provided he paid before entering. With such sponsors as Messrs. Hutchinson and Boulton, why shouldn't it have been a success, both socially and financially?

JUNETEEN'S DANCE

The climax of the social season in Forest was the dance given by the June Class. The music, the weather, the moon, and everyone and everything co-operated to make it the best entertainment ever held in Forest. It will be a dance not soon forgotten by all who attended; in fact, the seniors believe that it won't be forgotten by anyone very soon.

POPULARITY CONTEST

Kathleen Price and Walter Stone were the winners in the annual popularity contest sponsored by the Forester Annual. These two were voted by the student body of Forest to be the most popular among the seniors. Lu Fan Patrick and George Harwood led them a very close race, only to receive second place.

This year, as in other years, the Parent Teacher Association of Forest has shown the advantage of co-operation by giving aid to the students. Added to its useful work in the past, the club has organized a second-hand book store in the school for the purpose of disposing of books not needed by some students and wanted by others, at the lowest possible price. Valuable assistance has also been extended those unable to acquire for themselves certain clothing, books, and other school necessities.

The National Honor Society

"If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too.

If you can fill the unforgiving minute
With sixty seconds worth of distance run;
Yours is the earth and everything that's in it,
And—which is more—you'll be a man, my son."

—KIPLING.

The Forest Avenue High School Chapter of the National Honor Society was inaugurated in May, 1930. The purpose of the organization is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage development of character in the pupils. The membership is based on scholarship, leadership, service, and character. Only those who stand in the first third of their respective classes in scholarship and who have spent at least a year in Forest are eligible. The membership comprises fifteen per cent of the IVA Class, ten per cent of the IVB Class, and five per cent of the IIIA Class. Those who are eligible for membership may be proposed by any member of the faculty for consideration by the council, which consists of the principal and at least four other teachers selected by him. The emblem of the society is the keystone and flaming torch.

Membership in the National Honor Society is decidedly the highest honor conferred by the school on its students. The aims of the organization represent the highest ideals of manhood and womanhood. Each one who is elected to the Society is proud to be a member and anxious to uphold its ideals.

The members of the National Honor Society, past and present are as follows:

Anson Van Slyke	Mary Jane Snyder	Henry Landsberg	Gladys Musache

Of the three publications in Forest the *Forester* is the only yearbook. It is a complete record of the classes, clubs, and activities of the student body for the year preceding its publication. The editing is supported by the Senior Class with representatives from other classes and with the aid of faculty sponsors.

The *Forest Echo*, until this year a monthly publication, gives a bi-weekly account of activities in the school. The publication of this newspaper is sponsored by the journalism classes under the direction of Miss Eloise Burham.

The third Forest publication is the *Senior Publication*—a biannual record of senior activity. Published by an all-senior staff under the director of the class sponsor, the publication is an index of senior activity. The two publications of 1931 have been the *Broadcaster* and *Senior Searchlight*, published respectively by the January and June classes under their respective sponsors, Mr. Seldon Hutchinson and Miss Minnie Brown.

_____, *And the Destination*

Endeth our Chronicles. But, like all good fairy tales, much remains to be created by man's genius; for it is through the facilities of his intellect that we have, today, the devices that are practically a necessity in our lives. In compiling this book, we have followed as closely as space has allowed the progress of transportation through the ages, allying it with our own progress as we roll along with the wheels of life. We have not, however, reached our destination; nor has transportation reached its ultimate end. With this fact in mind, we have attempted to show stages of transportation before the age of mechanisms, followed by the various forms of mechanical transportation.

We have followed the forms of transportation generally through all their phases. From man as carrier of his own burdens to the backs of lower beasts; from the beast of burden to the wheeled vehicle we have traced, and gradually we have shown the arrival of the mechanical millennium, the train and automobile. Every phase of transportation of land and water has bent itself to man's will, but even greater progress has been made in the conquest of the air—the airplane, in its various forms, and the dirigible. After this age—who knows!

ATHLETICS

GEORGE HARWOOD

ALFRED J. LOOS

SELDON S. HUTCHINSON

GEORGE RORIE

CLAUDE D. POE

Athletic Directors

Alfred J. Loos, head coach of the major athletics at Forest Avenue High School, is working for his eleventh year at Forest and recently annexed another championship in the 1931 city basketball cup. Mr. Loos has attained a success and prominence in high school sporting circles which leaves nothing to be desired. The value of his work to the high school boys of South Dallas can never be estimated. The student body of Forest appreciate Mr. Loos as a coach and as an educator.

Seldon S. Hutchinson, head coach of track and assistant coach of football and basketball, has begun his second year at Forest as teacher and coach. Mr. Hutchinson is a hard worker and believes in sending his athletic teams on the field in the pink of condition in order that they may be able to put forth the maximum amount of effort for victories. He is interested in the activities of the school and popular with the student body. May we say at this time that Forest is happy to have such an industrious, hard working individual on its coaching and teaching staffs.

Claude D. Poe, who has come to us from Austin College, became a Forester last September when he took up his duties as director of Physical Education, head coach of baseball and line coach of football. Mr. Poe immediately demonstrated his ability as a football coach when he turned out the most formidable line in the local football series last fall. No team which opposed the Lions went to a victory through the Green for-

ward wall—each had to turn to the air to accomplish the trick. Mr. Poe has yet to prove his prowess as a baseball coach, but here's luck and more of it to you, Mr. Poe.

J. A. Boulton, head coach of tennis, is also a new comer to Forest High. Mr. Boulton is at present moulding his first tennis team to play under the Green and White. Although new to Forest's student body, Mr. Boulton is well liked because of his genial and radiating personality.

Miss Rachel M. Foote is coach of golf. Miss Foote occupies a place in the warmest corner of the Forest heart. One would have to search far and wide to find a person as equally efficient as Miss Foote.

Supporting the Big Green athletic teams is our genial business manager of athletics, George C. Rorie. Mr. Rorie has proved himself to be a great asset to Forest's athletic department. He is willing at all times to do anything in his power to aid in the progress of the school.

FOREST HAS NO PLACE TO PLAY

Since the insertion of physical education into the curriculum of high school study by the state legislature, Forest has labored under the tremendous drawback of inadequate play grounds. Realizing the existing need, with his customary foresight, Mr. Parker immediately began a stringent campaign for the long needed grounds. Students, parents, and faculty alike were interested by Mr. Parker's stirring appeal, and South Dallas became suddenly "play ground" conscious. The aid of the physical education and military departments was enlisted, and junior and senior clubs were formed, all with the single idea of securing an adequate playing field for Forest. Mr. Parker, with the combined forces of physical education and military departments at his back, secured the signatures of 10,000 interested South Dallas people, all of whom signified their willingness to supply whole-hearted co-operation to the worthy cause.

The widespread interest of South Dallas citizens in the playing field for Forest formulated the idea of securing a park for all South Dallas. Popular interest immediately increased, and the ultimate success of Mr. Parker's project seemed a certainty.

Petitions outlining the needs of South Dallas for a recreational center were presented by members of the Junior and Senior Recreational Societies to the city commission and met favorable comment from the commissioners and the park board. The Board of Education was interested in the pressing need of Forest and South Dallas, and the prospect for the park brightened. With the advent of the new form of city government, the playing field seems almost a certainty.

Athletics

Athletics—

What rhymes with the word?

Nothing—

Or does it?

I defy Mr. Webster to place a word
below it,

Two lines down

That will lend itself

Prettily,

With a jingling sound.

It can't be done,

For athletics stand alone.

So no longer will I try to invoke the
muse

Who flies from me

With words in poetry

And looks back mockingly

Around the corner

Of my thoughts.

Athletics—

Now there is a word to conjure with—

It's the corner stone on which our
school is built;

It's the sugar-coating on the pill of
education;

The pill that's sometimes hard to
swallow,

But oh! so beneficial.

Our football boys are as young knights

Upon the field of battle,

Fighting for our school

And, mayhaps,

Some flapper's favor.

Our baseball boys are lesser

Stars perhaps,

But who can tell, might be

Bambinos in the making.

And what *trunksful* of basketball
boys

We have.

Now they are good.

Then the gym girls—

They are gem girls,

Goddesses in bloomers.

And minor sports, tennis, and track
which take poetry to describe—

The poetry of motion,

And I can't go into that.

Of all this we boast

And more—

There's Mr. Loos, beloved coach,

The patron saint of

Athletics.

FOREST 12—PALESTINE 8

Displaying unexpected power and drive in their initial grid tilt of the 1930 campaign, the Forest Lions overpowered the Palestine Wildcats, 12-8, at the North Dallas Field. The line play of the Southsiders showed a powerful wall, which smashed the visitor's line.

FOREST 44—ROCKWALL 6

The Lions showed good form in swamping a fighting little Rockwall eleven, which had the week before held Sunset to a 13-point win. The Foresters chalked up 44 points to 6 for the visitors.

FOREST 62—MALAKOFF 0

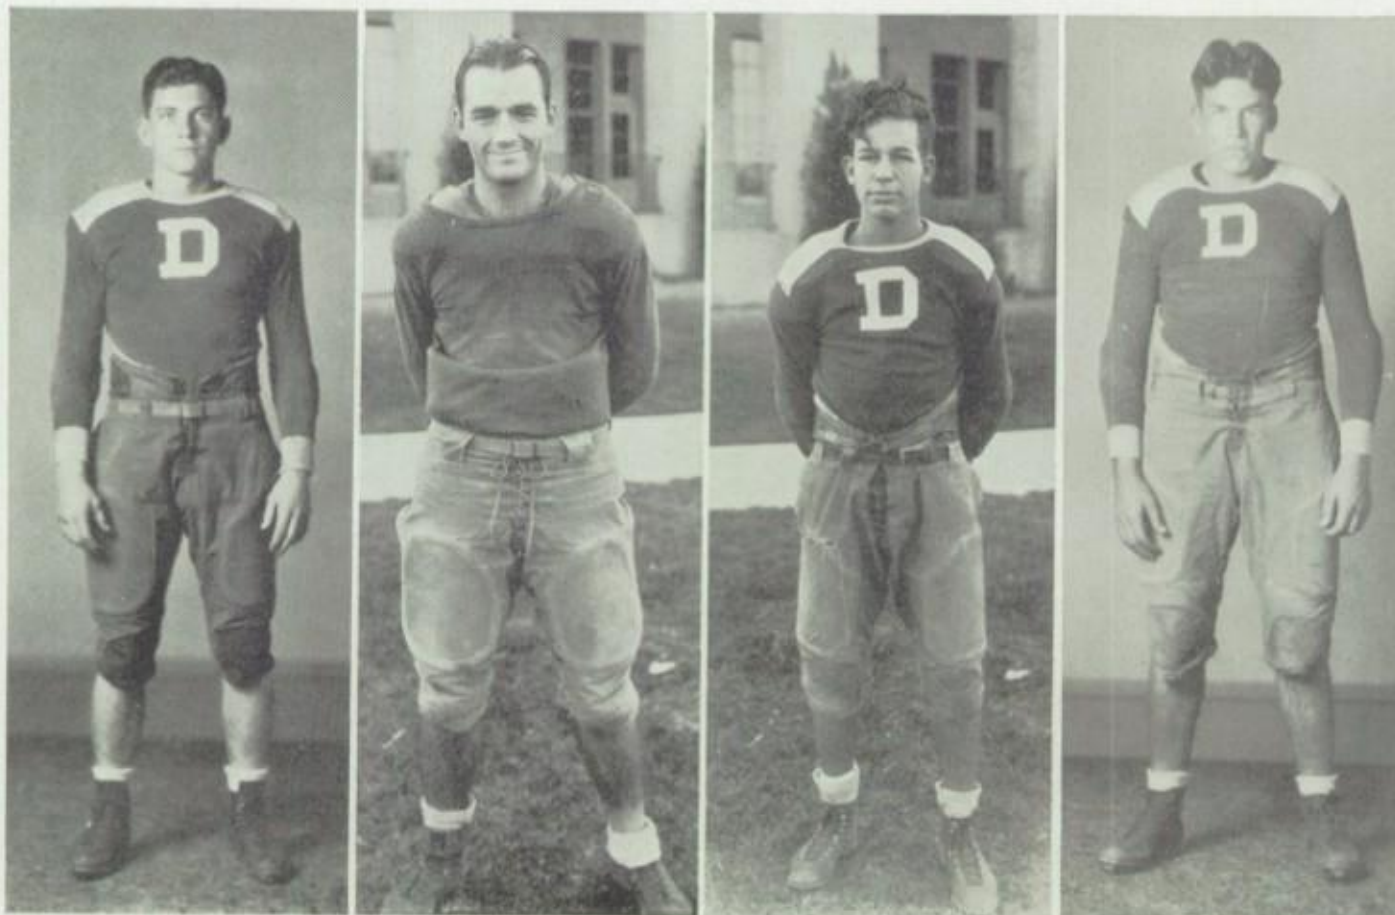

Forest's second and third teams ran over Malakoff High, burying them under a 62-0 score. The players displayed a powerful defense all through the game, which forced Malakoff to kick in every series of downs, making it possible for the visitors to make a single first down.

FOREST 0—OAK CLIFF 25

Oak Cliff's Blue Leopards sprouted wings at Fair Park Stadium to hand the Forest Lions a decisive 25-0 trouncing. The contest, which was played at night, was witnessed by 20,000 fans.

Cliff's overwhelming margin of victory was surprising to almost everyone present. It was a bitterly contested affair, but the Lions received a stiff drubbing, despite their game stand.

All the Cliff touchdowns were directly or indirectly the results of passes. The cause of the Green defeat may be summed up very easily: lack of a capable pass defense. The two lines played a magnificent game; there was little to choose between them, but it was a different story in the air. Oak Cliff, sorry to say, made the Lion secondary look very poor with a long range barrage of leather-throwing, which resulted in three touchdowns.

The complete story of the game, told in a nutshell, was Cliff's supremacy in the air. So far as the rival line play was concerned, the teams might have been battling yet, for there was little advantage on either side. Cliff's forwards kept the Lions' backs pretty well in check, and a stubborn Green line held Cliff's scrimmage to a comparatively small total.

Forest had its heroes even in defeat. They included Duwe, who handled his tackle position extremely well, Bale at guard, and Brandon at full.

FOREST 6—ATHENS 13

Jimmie Kitt's red-jerseyed Athens' Hornets and the Forest Lions put on a ding dong scrap at Fair Park Stadium. The two teams battled on almost even terms through the first three quarters, until the invading East Texans turned to the air in the final session, to punch over a touchdown which gave them a 13-6 victory.

Neither team seriously threatened in the opening periods, but as the session ended, Forest had driven to the Hornet's twenty-one yard line, from where the Foresters scored their only touchdown. It happened as the second quarter started. Stone slashed our right tackle, reversed his field, and swept to the left on a beautiful twenty-yard punt through the Hornet secondaries, which ended with the white pigskin resting in touchdown territory. A pass for the extra point was incomplete.

Despite a quantity of loose football, including many fumbles and some very sour tackling, the contest was a thriller. It was nip and tuck most of the way, with neither team holding much of an edge. The Lions, battling to the last ditch, were right within striking distance and threatening with an aerial bombardment of their own when the final gun sounded.

FOREST 14—NORTH DALLAS 0

Two marches down the field netted the scrapping Lions a 14-0 win over the North Dallas Bulldogs in a night game, which was played at the Fair Park Bowl. Only a handful of fans braved the damp, cold air to witness a slow, drawn-out contest. Outside of these two drives, the teams battled fairly evenly between the two forty-yard lines.

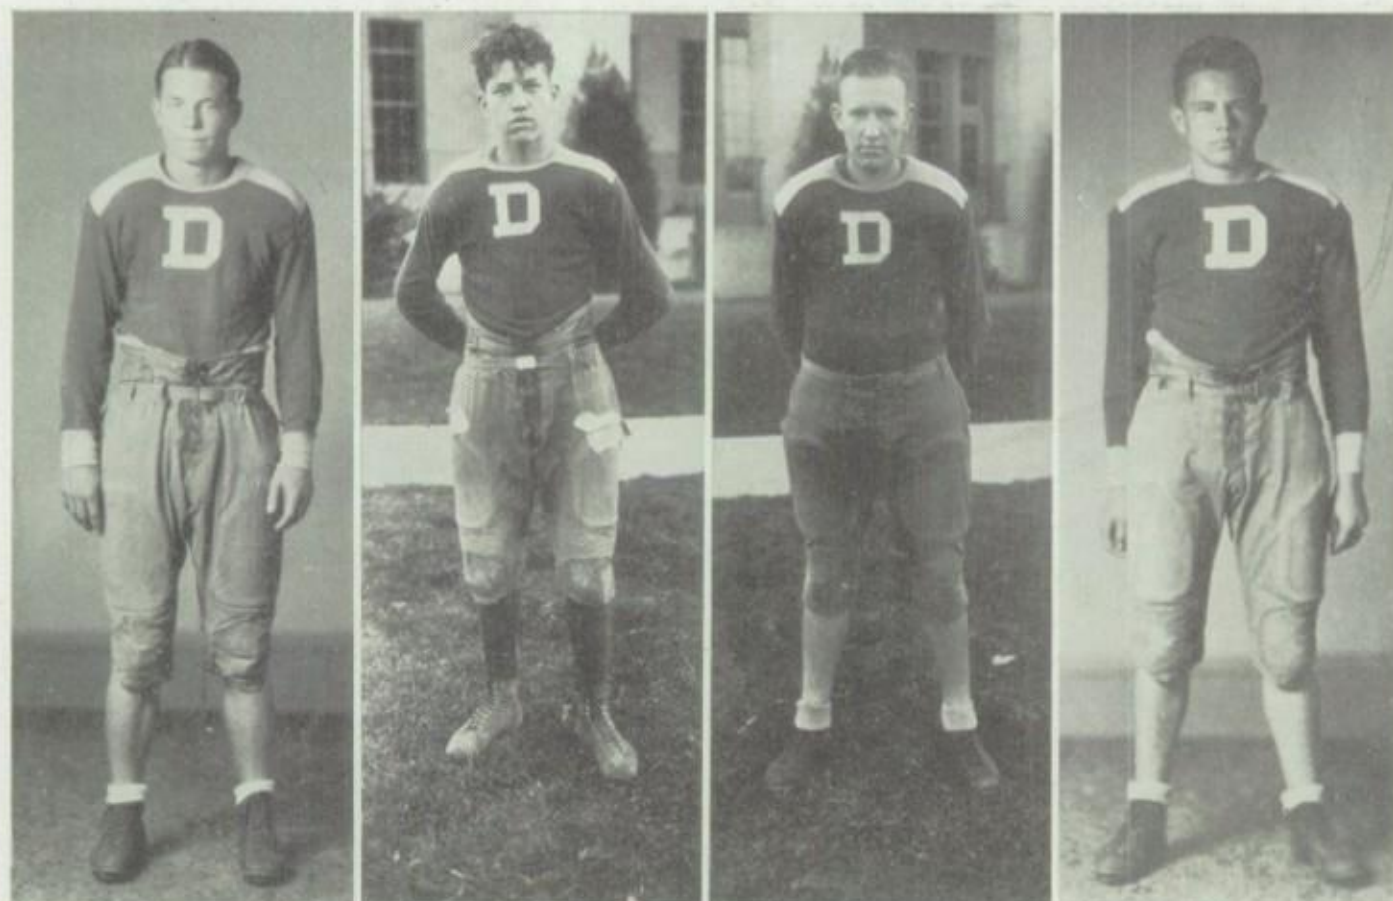

Soon after the initial kick-off, Forest began a steady march down the field for the first score of the game, Steer playing an important part in the ball transportation. Stone plunged the ball across from the five-yard line. The extra point was bucked across by Steer.

Nothing exciting happened in the second period, but in the third the Foresters registered again on a second march straight down the field. Stone, Terranella, and Steer lugged the ball off the guards and tackles time after time. Steer finally took the ball across on a short buck. The extra point was added by a short heave, Terranella to Brandon.

FOREST 7—SUNSET 14

Curly Woodward's flying heels, a spirited fourth quarter comeback, and a bad play called by the Green quarterback gave the Sunset Bisons a 14-7 victory over the Big Green Wave.

period when Bill Bushman's scrapping youngsters came from behind a seven point lead to grab the tussle.

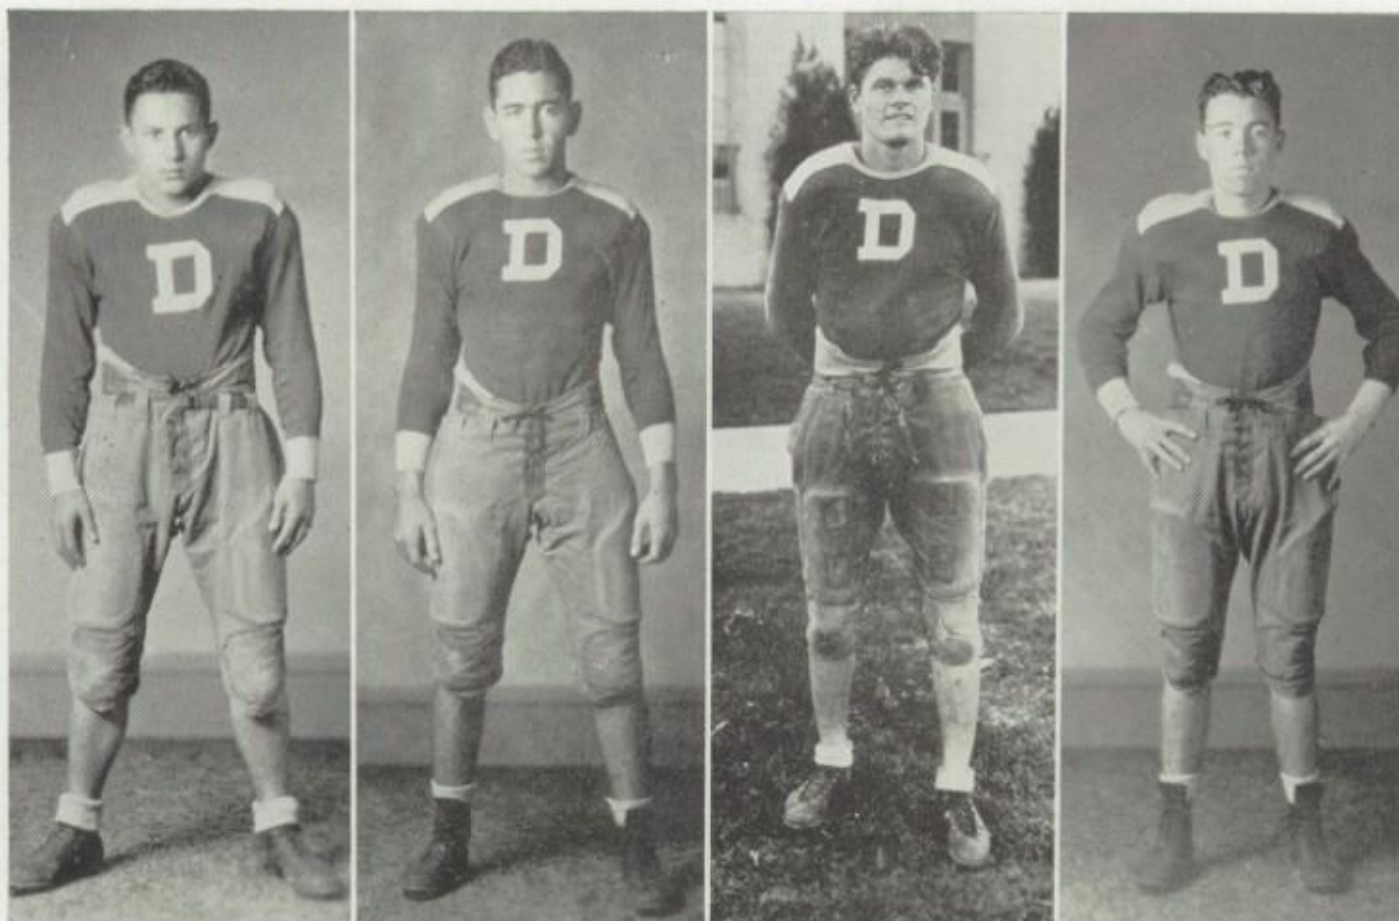

Forest's lone score came in the second period. Swift interrupted a Bison pass on his own forty-two yard marker to start the drive. With Stone doing most of the lugging, the Southsiders swept to the Bison thirty-six yard marker. On fourth down Stone tucked in a pass and was finally knocked off his feet on Sunset's thirteen yard line. Steer and Stone pounded the line three consecutive times before Stone finally, on fourth down, fought his way off a Bison tackle for the tally. Steer bucked over for the extra point.

Although in defeat, probably the outstanding star for Forest was Walter Stone, whose uncanny ability to find holes in a seemingly compact line resulted in Forest's only score.

FOREST 0—DALLAS TECH 13

For the first time in ten years the maroon clad wolves of Technical High scored on the Foresters when they defeated the Lions 13-0 at Fair Park Stadium.

Forest started two drives in the second quarter, but the first failed when the Green backs were stopped on the Tech twenty-five yard line. Near the end of the period three first-downs in quick succession placed the ball on Tech's sixteen-yard line. Another first down gave Forest the ball on Tech's four-yard line. Windborn, Lion quarter, tried a running slice at the center of the line and was getting along famously when he fumbled the ball and Rice, lanky Tech center, recovered on the one-foot line.

As the last quarter opened, the Lions seemed to realize their position and started a passing attack, which netted them no material gains. The game ended with oval in mid-field.

FOREST 7—WOODROW WILSON 0

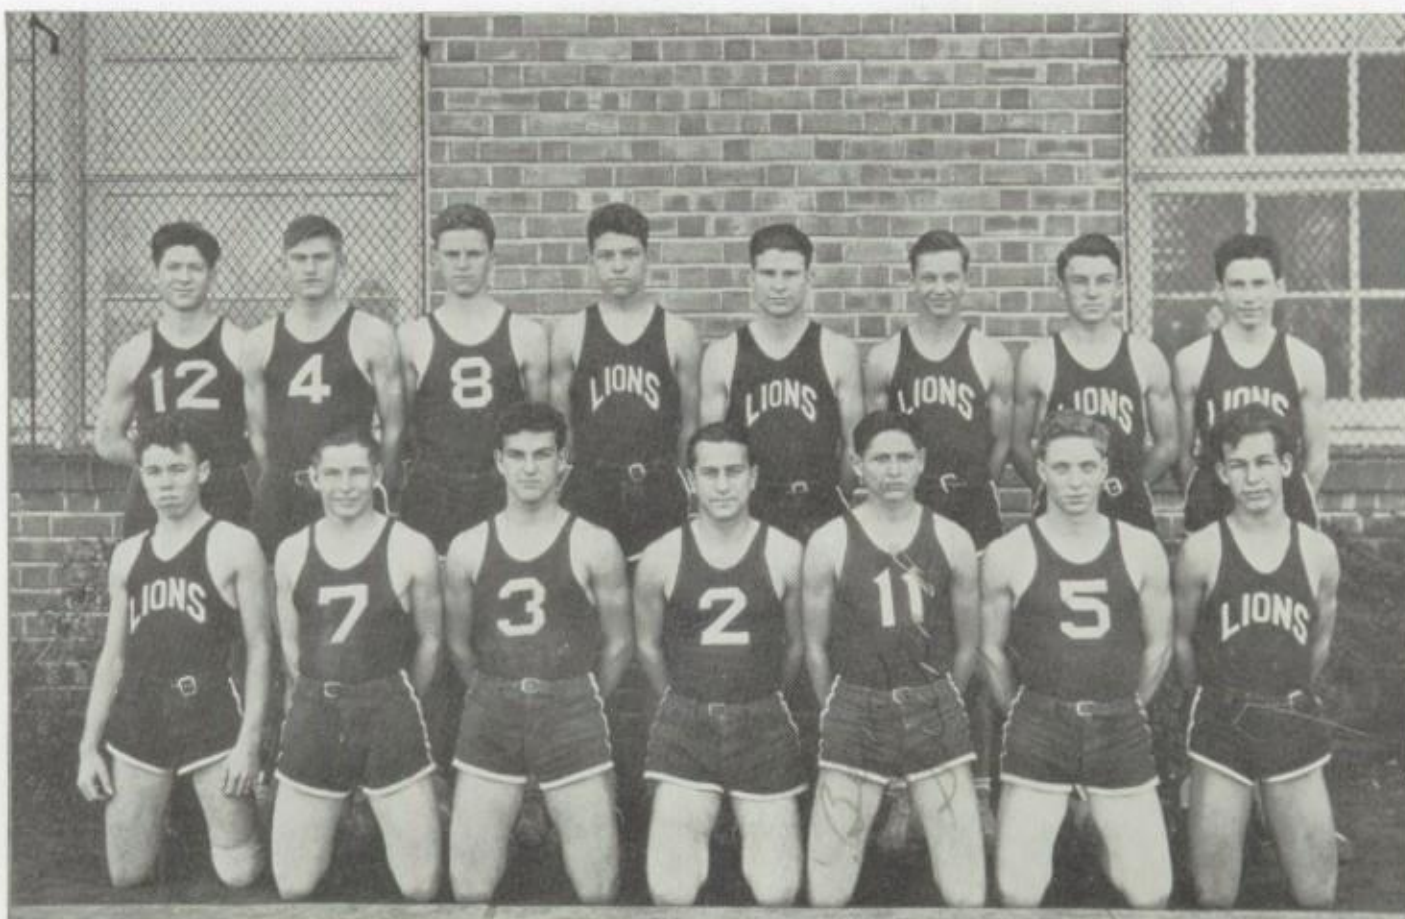

The current city series football race came to a close as the Forest Lions upset the supposedly much stronger Wildcat eleven to the tune of 7-0.

Scoring in the latter part of the first period, the Foresters had everything their own way from then on. Because of a rather unsuccessful season, the Lions went out with blood in their eyes to atone for their poor showings. As a result, the Wildcats never penetrated the Green fifteen-yard line. Steer scored the touchdown on a buck from the one-yard line. Winborn added the extra point by a beautiful kick from placement.

It would be a difficult task to name the stars of the contest, because all the Foresters were in there battling their hearts out to win a game which meant a great deal to their beloved coach, Mr. Alfred Loos.

The Basketball Season

Forest started the basketball season with a series of three games at El Paso with Austin High of that city. The Lions took the opener by the close score of 28-26. However, Forest lost the second and third games by scores of 26-22 and 37-25.

The Lions concluded their pre-season games by defeating the Forney team, 23-20.

The Green quint started off the city series by drubbing the Woodrow Wilson Wildcats, 25-15. Steen of Forest and Bert of Woodrow led the scorers, each having made 9 points. The Forest seconds made it a perfect day by defeating the Wildkittens, 19-15. Winborn featured for the Lion Cubs with 9 points.

Forest basketeters defeated the Sunset Bisons in the second go of the series. Holotik's field goal, which was made only a few seconds before the final gun was sounded, gave the Lions a 13-11 victory. Holotik was high point man for the afternoon. The young Lions did not fare so well, being defeated by the Sunset seconds, 20-7.

The Forest quint upset the fast traveling Wolves of Dallas Tech, 19-15. Forest's attack was led by Holotik and Hilburn, each scoring 7 points. The young Lions continued on their way to the first half championship by defeating the Tech seconds, 22-12.

The Foresters won their fourth straight victory from North Dallas, 27-19. Holotik was high point man of the game with 11 points. The Lion seconds followed in the footsteps of their big brothers by defeating the North Dallas Pups, 38-6. Horton was high point man with 16 points to his credit.

Forest suffered its first defeat at the hands of Oak Cliff. The score was 22-19. Because of their defeat, the Lions ended the first half of the series deadlocked, with the Cliffers in first place. The Green seconds took the second team game from the little Leopards, 27-18. They also ended the first half of the race in a tie with the Woodrow kittens for first place honors.

In the play-off between the Southsiders and the Cliffers for the first half title the Lions neatly outscored their rivals, 17-11. Red Bale, who was playing his last game under Forest's colors, played one of the sweetest games at guard ever seen on a Dallas Court in a high school game. Steen was high point man of the game with 8 points. Not to be outdone, the Green cubs also became first half champions of their division by tripping the Woodrow seconds, 23-21. Sierad and Windborn led the Lion offense with 6 points each.

Basketball - Continued

In the opening game of the second half of the city basketball series, our Forest quint was thrown for a loss by the North Dallas Bulldogs, 22-17. The play of Holotik and Hilburn featured for the Lions. In the second team game the young Lions regained the yardage lost by the first team, defeating the pups, 19-18.

The Foresters swept over the Woodrow quint, 25-12, to coast into second place in the percentage column. Horton, with 8 points, was high point man. The seconds continued their undefeated march toward the second half championship by drubbing the young Wilsonites, 17-10. Windborn was high point man for the Lions.

The Green basketees won a fast one from the Bisons, 27-19. The Lions flashed a great offense to turn the trick. Holotik and Hilburn stood out for the Lions. The cubs again showed their winning ways by taking the little Buffaloes into camp, 31-17. Windborn, Lion forward, was high point man with 13 points.

The Forester loopers completed the second half of the series in second place, having lost one game to North Dallas. They won undisputed right to second place by defeating Oak Cliff by the convincing score of 25-12. Hilburn was the outstanding player of the game, with 10 points to his credit. By defeating the Oak Cliff's second team, the Lion cubs won the second half championship and also the city series championship. They defeated the Cliffer seconds, 13-6.

Forest and North Dallas met to battle for the series championship. When the final whistle was blown, the Lions were on the long end of a 21-17 count.

By defeating North Dallas, the Lions gained the right to enter the district basketball tournament, which was held at Denton. In their first game the Green loopers were defeated by North Side, Ft. Worth, 28-11. The Cowtown boys held an advantage in height that was too great a handicap for the diminutive Forest team to overcome. However, they deserve great praise for the fight shown, in spite of the odds against them.

Track

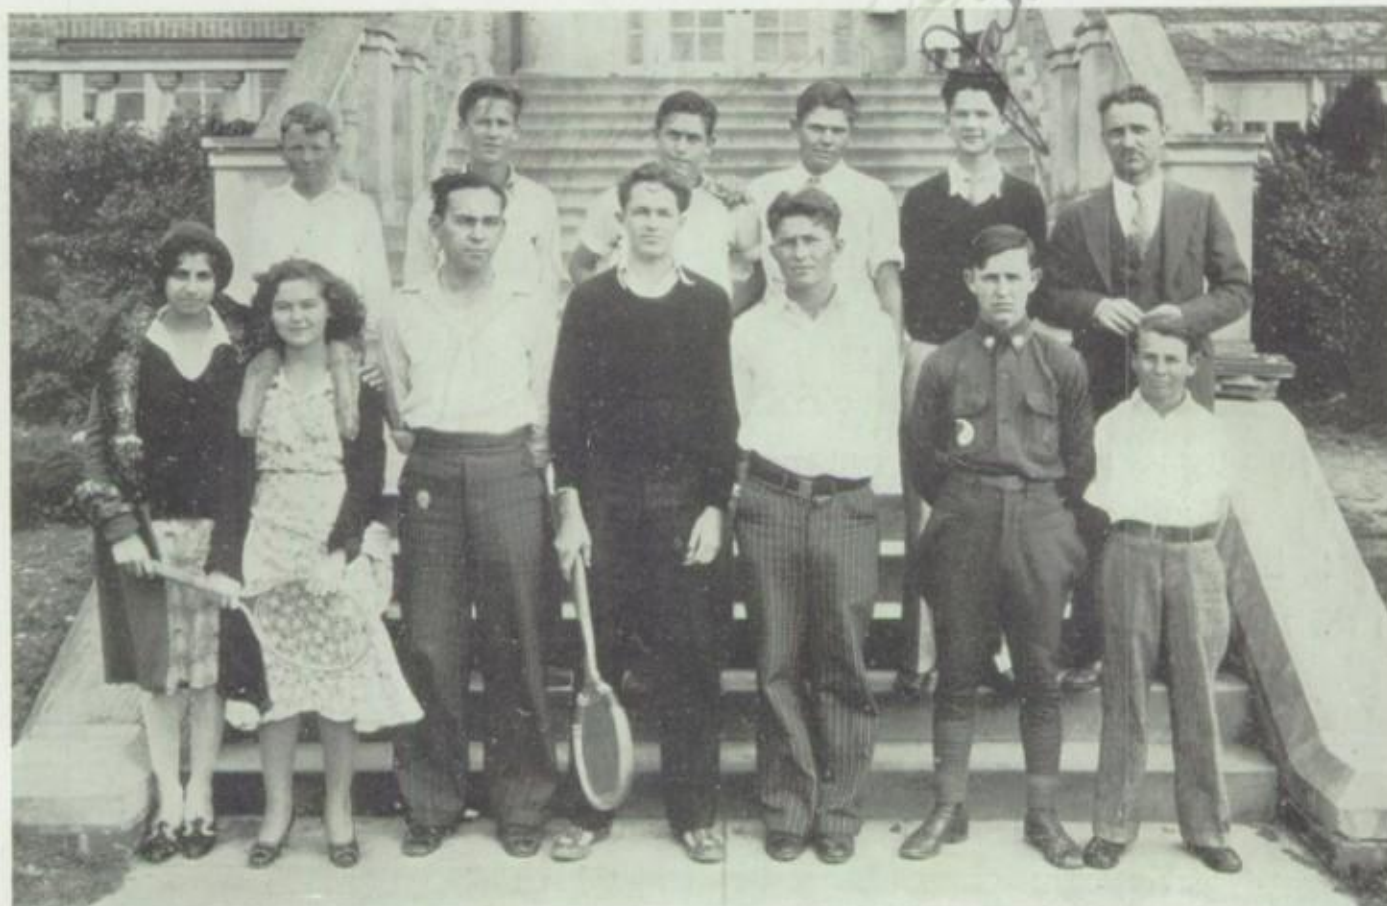

Candidates for the '31 track team received uniforms March 1, and began to put themselves into proper condition under the able supervision of Coach Hutchinson.

In addition to Guthrie, there were such stars as Stone, quarter mile; Redd and Harwood, polevaulers; Wisdom, quarter miler; Holotik, high jumper; and Slagle and Fitzgerald, distance runners.

In their only triangular meet of the season which was not rained out, the Lion tracksters took second place against Oak Cliff and Sunset. Windborn, green hurdler, showed up extremely well, running the 220-yard low hurdles in 27 seconds flat—the first flight he had ever run.

The Annual City Track Meet was held in Ownby Stadium at Southern Methodist University, April 10 and 11. The trials in the 150-yard high hurdles, 100-yard dash, 220-yard low hurdles, 440-yard dash, shot put, javelin and discus throws were held on the tenth; Guthrie qualified for the finals in the 100-yard dash and the javelin and discus throws; Price qualified in the discus and javelin throws; Windborn qualified in the 220-yard low hurdles; and Lewis qualified for the finals in the discus throw.

All finals were run off on April 11, when Forest placed sixth in the meet. Guthrie won third place in the discus throw; Price won second place in the javelin throw; Slagle won fourth in the mile run, and won fourth place in the 880-yard run. Forest's total number of points amounted to seven, Windborn, diminutive Lion hurdler, hung his trailing foot on a hurdler and hit the cinders when he was leading the field to the tape.

Tennis and Golf - Continued

The present golf team, under the direction of Miss Foote, is composed of four boys: Frank Stagner, captain, Henry White, Ab. Pruitt, and Arthur Perry. Frank is one of the best high-school golfers in the city.

The first match of the current season was played at Stevens Park with Oak Cliff. Ill-fortune seemed to follow this game, for Forest was defeated, 4-2. The second match was likewise unfortunate. Forest lost six points to Woodrow Wilson. In the third match, however, the team revealed its real power by winning 6-0 from North Dallas. In the latest match Forest was victorious over Technical High, winning 5-1.

At the present writing, the team has won thirteen points and lost eleven, but they are working hard and hope for good results in the remaining matches. With the exception of Frank, the other boys are inexperienced, so next year's team should be much better. Since there is another series of matches to be played, the championship will not be determined until these are played.

The importance of tennis in Forest as a sport is developing more and more. The coach hopes to promote a greater liking for this splendid game, which will carry over into the lives of the students in after-school life.

Our teams this year have had quite encouraging success. They were able to defeat Woodrow Wilson in every match and to break even with North Dallas and Technical High Schools.

The girls' doubles teams, consisting of Clover Burris and Sally Anton, went through the season without a defeat. This strong service of Sally, coupled with the splendidly consistent playing of Clover, proved too much for all opposing offerings.

The boys' doubles won three of their five matches. This team, composed of Nathan Leon and Jake Lichtenstein, was respected by all opponents as worthy of their best efforts. Leon plays a hardy, driving game and has a fine, accurate service, which, when working correctly, is baffling to any opponent. Jake is a fine, consistent player and an excellent partner for Nathan.

Our really outstanding players were Nathan Leon, who is playing his last year at Forest, and Clover Burris, whose consistent playing has been responsible for the winning of girls' doubles championship.

Upper Row:

Baseball Team

Candidates for the '31 baseball team reported for practice March 20. Coach Poe immediately began the process of moulding a team which would give the other Dallas High School teams a scrap for the series cup: Burden as catcher, Bailey as pitcher, James at first base, Cox at second base, Brandon at third base, Rowland at short stop, Hilburn in left field, Calvit in center field, and Hewett in right field seem to have had the edge on the other lads and were, therefore, picked on the regular starting nine.

Mr. Poe sent his charges into their first series-go against the North Dallas Bulldogs. The Lions entered the contest as underdogs, but when the regulation time of seven innings was up, the Lions were on the long end of a 10-4 count.

In their second game of the local series the Lions defeated the Woodrow Wilson Wildcats, 4-0. The Forester's had the game from start to finish, although they tallied only four times.

The Foresters ran into a bit of hard luck when they dropped a game to the Leopards, 4-3. The Lions outhustled and outplayed the Spotted Kitties in every department of the game. In five innings Hendrix, Green pitcher, held the Cliffers to two hits, but in the first of the sixth he loosened, and the Leopards made use of his let-down by smacking out four runs. James, Lion first sacker, scored two of the three runs, and each time he was knocked in by the terrific swatting of Hewett, left-handed fielder. Hilburn of the Foresters tried to knock the fence down, but his best effort only busted a hole in it, which netted him a home run.

ODE TO A BAD COLD

Thoughts adancing, queer and fanciful—
Strange ones, weird ones, it is true.
Nothing lovely or poetical—
Black ones, tired ones, lined with blue.

Ears are humming, heart a-drumming,
Nose a-leaking, plenty too,
Bones just aching, quinine taking,
Almost think I've got—kerchoo!

For pure misery, desolation—
Blues, and wishing you were dead;
I can surely recommend you
To a bad cold in the head.

—LUCY BLAKENEY.

GLAD TO HELP YOU

SOME MORE OF WHAT WE THINK—

Aileen Smith—

Her face is an island fair
Encompassed by billows of wavy
brown hair.

Mildred Rudnitzky—

Just a word for her to say
And boy does that piano play?

Maurine Jacobs—

Near five and a half feet tall is she
And every inch mentality.

Juanita Odom—

Oh! with that wavy brown hair
She drives all males to despair.

Elizabeth Holt—

Elizabeth is so shy and quiet,
And yet she's always friendly at sight.

Nettie Lee Pearlstein—

Quiet, tall; a different style;
Always greets you with a smile.

Virginia Sims—

Poet, composer;
Gloom disposer.

Mary Elizabeth Strange—

We hope to never see
A sweeter girl than she.

Louis Rosenberg—

A student of Mozart and Mendelssohn
And perfect little gentleman.

Berniece Aistrop—

She's a dark little girl—five feet, two,
And loves to talk to great and few.

Charlotte Donosky—

Short, chubby, studious, gay,
And always has something to say.

Rebecca Einhorn—

So agreeable and full of fun,
As a dancer—she's a sweet one.

Miss St. John: "Paul, can you tell me what a hypocrite is?"

Paul: "Yes, Ma'am. It's a boy that comes to school with a smile on his face."

* * *

Miss Clark: "What is excelsior?"

Frank B.: "Long sawdust."

* * *

"Darling, I love you."

"Good gracious. Why, we've only become acquainted."

"Yes, I know; but I'm only here this week-end."

The farmer was showing his visitor from the city over the farm. "How many sheep do you think are in that flock?" he asked.

After some hesitation, the visitor replied, "Oh, about five hundred."

The farmer was astonished. "Absolutely correct. How did you do it?"

"Well," the city chap explained, "I just counted the legs and divided my four."

RELIABLE AND DEPENDABLE

To a young man about his clothes --

Society Brand Clothes

THE importance of "how you dress" increases when you leave high school. To make the most of this factor choose as your guide the clothes of a maker such as Society Brand—smart enough, though not extreme nor too conservative—but correct!

"IT STAYS FRESH LONGER"—

The faint scarlet, suffusing and receding, crawled up around his ears and faint puffs of smoke blew heavenward from his Murad. Yes, he was embarrassed.

He and his fiancée had insisted upon taking Jim for a ride over the great American desert in the hope of curing him of his athlete's foot (though his only walk was from his door to his car).

As they sped along, Jim comfortably established in the rumble seat (ask the man who owns one), Frank took a glance at her lovely schoolgirl complexion. "Ah," he thought, "the skin you love to touch!"

"My," thought Jim, "such popularity must be deserved!"

Frank let the car guide itself. (Free wheeling.)

Jim leaned over. "Frank," he said, reach for a Lucky instead of a sweet;" And he tossed him a pack.

The girl gave him a withering glance. "Ninety-nine and forty-four per cent pure!" she said frigidly.

Just then Jim saw the icy waters of a mirage directly in the path of the speeding car. He wished to warn Frank, but the words stuck in his throat, and there was not a cough in a car load.

The car plunged in.

"It floats!" yelled Jim thankfully.

But he spoke too soon. Frank was thrown into the shark-infested waters.

Just as he sank for the last time, he looked at Jim reproachfully. "My best friend," he cried, "my best friend! Why didn't you tell me?"

"It serves you right, you old Meanie! You laughed when I sat down in this rumble seat—imagine your astonishment now!"

The water was fast flooding the radiator.

"Good to the last drop," quoth Jim, pouring the rest of the mirage in the radiator and driving off, "Sleep like a baby, Frank!"

So Frank, slightly embarrassed, lit a Murad and walked a mile for a camel.
